Better Accuracy - Orientate the Tiger Tooth Tee's legs inline with the pin and your feet then parallel to it for a more precise shot.

Tiger Tooth Tee twin legs gives super stable ball support. Therefore, no chance of the tee interfering with the ball and that which may cause deviation when the ball is struck.

Use the Tiger Tooth Tee to repair ball pitch marks.

Remove the front cap and use as a ball marker on the green.

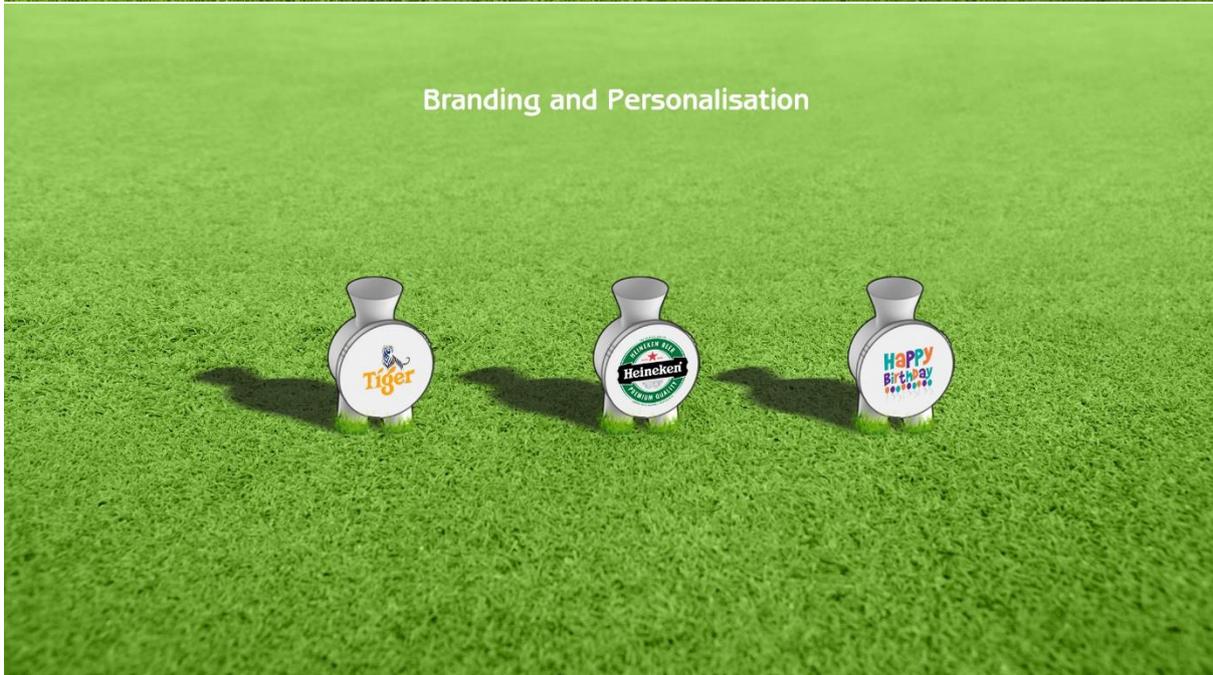

Remove the front cap and use as a ball marker on the green.

Because the Tiger Tooth Tee stays in the ground, it gives you a focal point to help keep your head down, When the ball has been struck.
